Rove Concepts

Porter Ottoman

The Porter is a structured ottoman with boxy flare and a low-set profile. High-density foam cushioning is nicely rounded and perfectly firm, with detailed pipe stitching around the edges. Use alone as a multifunctional seat, or combine with other Porter Modular pieces to create your perfect sectional.

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
