Noah Sectional - Brass

Exuding stylish form and comfort, Noah is a wide-width and low profile piece inspired by modern and Nordic design. The gorgeous naturally finished brushed brass base is a beautiful contrast to the soft fabric upholstery, customizable to your choice. This base sits fully to the floor and is set back two inches for additional contrast, providing a grander illusion of size and space. While the cushions easily seat three or more people in optimal comfort, the width of the armrests also offer a functional purpose as the perfect place for resting your favorite drink or a book. Keep it cozy with the Noah Sofa, or go grand with the Noah Sectional.
